

Digi-Key Electronics

Doc#: PC#170509-3

Issued Date: November 1, 2019

Asahi Kasei Microdevices Corporation  
M&S Center

**Product Change Notice**  
**(Replacement of AKMSPK170921B due to Additional Change)**

Regarding Product Change Notice AKMSPK170921B issued by AKM Semiconductor, Inc., dated on September 21, 2017 and revised on November 30, 2017, we regret to inform that we have to request for approval of additional change due to unexpected issue of our material supplier. The revised transition schedule is shown below. We deeply apologize for the inconvenience and appreciate your understanding and approval accordingly.

**Products Affected**            5 items in VSOP-28 package assembled by Kato Electronic  
AK2307LV, AK2307, AK4396VF, AK5384VF and AK5385BVF

**Changes**                    1. Production site (assembly process) and its related change, due to shutdown of the current line.  
2. Lead frame supplier change due to business termination of existing supplier.

**Summary of the change (VSOP-28)**
