Purchase orders will be accepted on a non-cancellable, non-returnable basis until October 7, 2011 provided there is inventory remaining at the time of order placement with final shipments scheduled no later than March 30, 2012. Please check inventory availability with your distributor or Exar Customer Support representative before attempting to place a purchase order.

** Note that this notification affects leaded versions only as Exar will continue to support (as suggested replacements) the RoHS versions of the devices.

No other notices will be sent regarding the obsolescence of these parts. If you have any questions regarding this notice please contact Lisa Bedard at lisa.bedard@exar.com.

Exar Corporation appreciates your business and looks forward to continuing to meet your future requirements.

Sincerely,
Janie Nakamoto
Sr. Manager, Business Marketing
