

Product/Process Change Notice - PCN 13_0021 Rev. A

Analog Devices, Inc. Three Technology Way Norwood, Massachusetts 02062-9106

This notice is to inform you of a change that will be made to certain ADI products (see Material Report). Any issues with this PCN or requirements to qualify the change (additional data or samples) must be sent to ADI within 30 days of publication date. ADI contact information is listed below.

Note: Revised fields are indicated by a red field name. See Appendix B for revision history.

PCN Title: Qualification of Second Source Supplier for Seal Glass on Capped iMEMS Devices

Publication Date: 17-Oct-2013

Effectivity Date: 15-Jan-2014 *(the earliest date that a customer could expect to receive changed material)*

Revision Description:

To add parts affected by the change.
To remove parts not affected by the change.
Change scope of PCN from MEMS capped devices to iMEMS capped devices.

Description Of Change

Adding a second source seal glass vendor, Asahi Glass Co, to the approved supplier's list for use in capping iMEMS devices.

Reason For Change

The addition of a second source supplier will ensure continued source of supply for capped iMEMS devices. Utilization of additional seal glass supplier allows future shipments of affected material from either manufacturer.

Impact of the change (positive or negative) on fit, form, function & reliability

The device fit, form, function, and reliability, as specified by Product Data Sheets, will be unaffected by this change.

Product Identification *(this section will describe how to identify the changed material)*

The supplier shall be traceable via our standard control plan.

Summary of Supporting Information

Qualification has been performed per AEC-Q100, Stress Test Qualification for Integrated Circuits. See attached Qualification Report Summary.
