

Change Management TDK-Micronas Product Termination Notification

No. 17002

PRODUCT DISCONTINUANCE (PHASE-OUT)

Phase Out of HAL Switches

March 30th, 2017

Dear Customer,

TDK-Micronas strives to propose to its customer the best-in-class quality products to answer the market constraints and customer's demand. However semiconductor products have a limited life time due to changes and improvements in quality, design and technology as well as to be compliant to international environmental standards.

Consequently, it is therefore necessary for TDK-Micronas GmbH to discontinue the production of the following products:

Discontinued Products	Possible Replacement
HAL 102	HAL1502
HAL 103	HAL1504
HAL 104	HAL1505
